<u>sports</u>

High school football was in high gear last week, and there is more on tap this weekend.

The Andalusia Bulldogs took a big step toward the state play-offs with a 20-7 win over previously unbeaten Opp. The Andy win sets up their game with Geneva as "the" game in the region for this year. The match-up comes on November 8th. Geneva kept winning with an easy 26-0 win over lowly Samson. The Panthers are now 4-0. They could be a darkhorse in the region.

Enterprise tuned up for tomorrow night's game with Elba by

soundly trouncing Troy 33-7. The Wildcats now appear to

be back on track after their loss. With the Enterprise wish-bone rolling again, the cross-county rivals could make the JOHNNY DYESS led Tiger game tomorrow night a long one for Tiger fans.

Dothan chalked up their second straight win, a 21-6 decioffense with 119 yards rushing sion over Central of Phenix City. After dropping their opening three games the Tigers appear to be back on track.

U.M.S. of Mobile, upped their record to 5-0 with a 28-13 win over Jackson. It appears that ex-Elba Coach Leon Akins, now at U.M.S., has the Cadets headed for a play-off berth. Carver of Montgomery continued to dominate football in Montgomery by dumping Lanier 16-13 in overtime. It seems possible that the winner of the Carver-Enterprise game on October 25th could represent Region 3 in the playoffs. Zion Chapel ran their record to 5-0 with a big 27-0 win over Ariton. The Rebels from Zion are really rolling, and have Banks High of Birmingham won their 30th straight game with a 49-12 win over Mt. Brook. Banks has won the state 4A title

The on again, off again Elba Tigers saw their season re-cord drop to 2-3 Friday with the 28-7 defeat to W. S. Neal. The Tiger fans saw two different ball games, with Elba easing by in the first half, and Neal romping by the Tigers in the Offensively, the Tigers had an off night. The Elba quarterback completed only 20% of his passes, but in defense of Max Fuller, several good passes were dropped by the receivers, Elba's freshman running-back Larry Phillips showed guts

by continuing to keep running despite being hit hard on numerous occasions. On one kick-return, Phillips was hit as hard as anyone I've ever seen, but came back one play later for more action. The Elba pass-blocking broke down at times, and appeared unable to handle the big Eagle defense on the running

blown-out in the second half of the game. The Neal backs churned through the middle of the Elba defense throughout the second half, and put the game out of reach.

The Elba defensive secondary continued to be a weakness. The Elba cornerbacks just will not come up on a run, and the speedy Neal backs got good yardage on the Elba corners. W. S. Neal quarterback, Gary Ryals proved to be as good as the scouting reports warned. The Eagle signal-caller ran the option well, and hurt Elba consistently. Neal's Charles Allen also ran well, and burned Elba with several long runs. Contradicting my statement last week, things aren't looking very bright in Tigerland!

/After a lackluster 60% correct on picks last week, I traded the ole crystal ball in for a new 1975 model. The salesman said it would take a week to break it in, but it seems to be working fine. I hope so!

ELBA-ENTERPRISE The Wildcats run the wishbone even better than W. S. Neal. Elba must improve to keep it close. Enterprise 35, Elba 0 ZION CHAPEL-WICKSBURG The Rebels face a tough game,
